

Wisconsin to Host the 2026 Junior National Hereford Expo

The Wisconsin Hereford Association is proud to announce that **Madison, Wisconsin**, will host the **2026 Junior National Hereford Expo**, taking place **July 4–10, 2026**.

This premier national event will welcome junior Hereford exhibitors, families, and breeders from across the United States for a week of competition, education, and fellowship—all while celebrating the future of the Hereford breed right here in Wisconsin.

Hosting Junior Nationals is a true team effort, and **volunteers will be essential** to making this event a success. Help will be needed during **move-in on July 4** as well as throughout the show days. Whether you can give a few hours or a full day, your support will make a meaningful difference.

Volunteering is also a great opportunity to:

- Spend time with your **Hereford family**
- Meet breeders and juniors from across the country
- Be part of a national event that highlights Wisconsin Herefords on a big stage

If you are available to help—or would simply like more information—we'd love to hear from you.
