

## 2026 Junior National Hereford Expo Volunteer Signup

The Wisconsin Hereford Association is excited to host the **2026 Junior National Hereford Expo** in Madison, WI, July 4–10—and we need your help to make it a first-class experience for juniors coming from across the nation.

There are several opportunities to get involved, and even a few hours of your time can make a big difference.

**Please review the areas below and sign up using the links provided:**

### **Tack Taxi & Move-In (July 4 – Critical Need)**

Help unload trailers, assist with traffic flow, and drive small vehicles/golf carts to help exhibitors move in tack and equipment. This is our biggest need as we work to move a large number of families in quickly.

### **Ring & Make-Ready Clean-Up (July 7–10)**

Assist with ring flow, clean-up, and general support during show days—great way to be close to the action.

### **Golf Fun Zone (July 7–9)**

Help supervise a fun, interactive area for exhibitors and support a positive experience for our juniors.

### **How to Sign Up:**

Simply click on a link above, select the time slot(s) that work for you, and enter your information to sign up.

We are aiming to have all volunteer spots filled by **June 1**. Be sure to include your t-shirt size when signing up to receive a **free volunteer t-shirt**.

Thank you for helping us showcase Wisconsin Hereford hospitality and support the next generation of Hereford breeders—we couldn't do this without you.
