## *And the momentum keeps rolling!*

Good day Wisconsin Hereford Breeders,

Wisconsin Hereford breeders have been on a positive ride for the entire year. It started with a very strong state sale in March, Hereford breeders had a strong bull sale season this spring/summer, the ride continued through a dynamic summer for junior and senior exhibitors at fairs and exhibitions, and this fall we saw a good demand for the Hereford female—whether it be a special replacement female or that show heifer candidate. I witnessed a lot of new faces buying Herefords this fall and this is certainly positive for the breed!

We can't rest on our laurels—2022 will present its own challenges and opportunities. Let's work together to keep the momentum rolling!

Get ready for the annual meeting coming up on January 29 at the Lodge in Mauston. Check for details in this issue of the Review or the meeting notice will be posted on our new dynamic website---www.wisconsinherefords.org. It will be a great place to catch up on the news, visit with old friends and make some new acquaintances.

The WHA board will be meeting in December and in January before the annual meeting—we are always looking for constructive ideas on how to make the Wisconsin Hereford Association a more viable, effective organization to serve you better. Don't be afraid to give me or one of the board members a call with your ideas.

In the meantime, take time this Holiday season to reflect on the blessings that have been given to you, adjust your schedule to enjoy time with family and friends, and get ready to get to work in 2022!

Hope to see you down the road and keep talking Hereford!

By: Jerry Huth  
WHA President

# AM I FULL OF CRAP?

Calf scours are not inevitable. A strong prevention program is non-negotiable. Dependable scour prevention is essential for calf welfare, employee morale and business profitability. The immune system's response to vaccination is variable and unpredictable. That's why giving preformed antibodies instead of relying on a vaccine to stimulate antibody production is so important. I'm all for removing uncertainties. So yes, I stand by this product. (And no, I'm not.)

## Espenscheid Memorial Scholarship To Be Offered

A scholarship in memory of Marv Espenscheid is being offered to a graduating senior pursuing a career in the agricultural field. One \$750 scholarship will be awarded to the recipient upon proof of enrollment in a higher learning institution.

Visit [www.wisconsinherefords.org](http://www.wisconsinherefords.org) for scholarship information and more information or contact BJ Jones at 608-482-2961.

Nicholas Jones, Darlington, Wis., received the overall champion steer and champion individual commercial steer. He is joined by (l to r) Ashley Fitzsimmons and Shane Schaake of BioZyme Inc., and Trey Befort, director of commercial programs for the AHA.

## 2021 NJHA Fed Steer Shootout

KANSAS CITY, Mo. — Now in its fifth year, the National Junior Hereford Association's (NJHA) Fed Steer Shootout contest teaches juniors about the opportunities and challenges of the cattle feeding industry. In the 2021 contest, 41 members from 15 states entered 133 steers in the program. This year's winners received nearly \$20,000 in scholarships and awards from the Hereford Youth Foundation of America (HYFA) and premier partner, BioZyme Inc., St. Joseph, Mo. The young cattle feeders took center stage and were recognized for their efforts Oct. 22 at the American Hereford Association's (AHA) Annual Membership Meeting and Conference in Kansas City, Mo.

To learn more about the Fed Steer Shootout Contest, visit [www.hereford.org](http://www.hereford.org).

## \$100,000 in Vanier Family Scholarships Awarded to Ten Deserving Hereford Juniors

KANSAS CITY, Mo. — High achieving Hereford youth were awarded numerous scholarships during the 2021 American Hereford Association Annual Meeting and Conference in Kansas City, Mo., on Oct. 22. In a special awards ceremony, the Hereford Youth Foundation of America (HYFA) and its army of donors proudly awarded \$160,000 in scholarships to 24 National Junior Hereford Association members to help support their higher-education goals.

Ten scholarships of \$10,000 are given by the Vanier Family for a total of \$100,000 in HYFA scholarships annually. Jack and the late Donna Vanier and family of CK Ranch in Kansas have paved the way for Hereford Youth to further their education and this year marks a \$600,000 commitment to education from the Vanier family. The Vanier family is proud of the National Junior Hereford Association (NJHA) members and believes the work ethic young people learn growing up in the Hereford breed sets them apart in today's workforce.

The 2021 Vanier Scholarship recipients are:

Molly Biggs, Dixon, Ill.  
Jacob Johnson, Ruth, Miss.  
Trevor Johnson, Centerville, S.D.  
Lauren Jones, Darlington, Wis.  
Regan Mitchem, Vale, N.C.  
Bailey Morrell, Willows, Calif.  
Libby Rushton, Waverly, Tenn.  
Madison Sifford, Goldvein, Va.  
Tar Tut, Faribault, Minn.  
Rusty Wolf, Alexandria, Ky.

Lauren Jones (pictured above front row third from left) of Darlington, Wis., is a freshman at Oklahoma State University, double majoring in animal science and agriculture communications. If the past two years have put anything into perspective for her, it would be to grab any opportunity possible and do your best to accomplish goals because tomorrow isn't promised. These were driving forces that pushed her to run for the NJHA board and to move to Oklahoma to pursue her dreams.
